Foods Class Course Fee

Previously, students were given an information sheet on payment required for the Foods Options Class. Half of the students are currently in this course and the other half will be in the next quarter. Course fee is \$20 that will go towards additional materials required for this class. We are asking all payments to come in through **School Cash Online**. (Please refer to the form) The due date of February 26 was extended so payments will still go through. Contact the school at 403-359-3835 or email tanya.hoekstra@horizon.ab.ca if you have any questions! ** As of yet we have not received many payments - please look into this at your earliest convenience. Thanks!

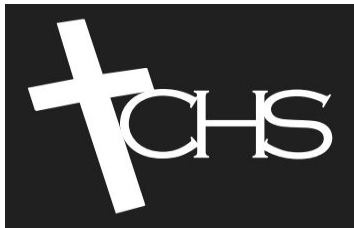

On Wednesday morning, TCHS staff and students participated in a Blanket Exercise, led by Lisa Sowinsky (Horizon School Division Indigenous Liaison) and Blackfoot Elder Greta Old Shoes. The exercise is designed to have students walk through Canadian history from a First Nations perspective on relationships with European settlers. To close the exercise, staff and students had an opportunity to share their impressions of the experience and to ask questions to Greta Old Shoes. Greta Old Shoes then closed by leading us in the Lord's Prayer.
