## TCHS @ Streets Alive

Over the past 2 weeks, our grade 10 class has volunteered at Streets Alive in Lethbridge. The work we did was sorting through donations and organizing them into boxes - making it easier for people who need clothing to find what they are looking for.

After working for the morning, a Streets Alive representative talked to the students about their work and the needs they try to meet. Julie Kissick, one of the co-founders of Streets Alive, shared that “hope” is the most powerful thing they can offer. She added that real hope can only be found in Jesus Christ. As a result, this is the rock on which their ministry is based.

This experience ties in well with grade 10 Christian studies, in that students are working through what it means to recognize all people as image bearers!

### **Food Bank Challenge:**

Mrs. Bekkering’s Crew group will be challenging the other groups to a Food Bank Challenge! The challenge is to see which group can collect the most items for our local food bank. There will be extra points awarded for items that are in high demand (students were given a list of these items). The challenge will go until the **14th of December!!**
