Food Bank Challenge:

The Crew groups are in a challenge to see which group can bring in the most items for the Taber Food Bank. So far, Mrs. Bekkering's team has a big lead! Items can only be brought in until Tuesday, December 14 so hurry!! Remember that extra points will be rewarded for **“items in most demand”** (students were given a list of these items). We encourage you all to bring in items to show our school support for our community!

There has been a lot of progress on our new TCHS building! Go to our website to see some updated pictures! <https://tchs.horizon.ab.ca>

Athletic Update

It has been a fantastic start to our basketball season! In order to field enough numbers to host our own team, we have a few students from Hope Christian School and ACE Place Learning Center joining our team for this season which has been great for building our team environment and community. We have been competing in the River Ridge Basketball League and have faced some tough competition early in the season. It has been great for our team, as it has really forced our Lions to work hard to develop our individual skills and overall team play. From the start of our season, we have focused on working on being both Brave and Bold.

We are excited to be able to host our own basketball tournament on January 21st and January 22nd at Taber Christian School. We have teams coming from Calgary Christian, FP Walshe, Magrath, St. Marys, Senator Gershaw, St. Michaels (Bow Island) and Picture Butte High School. We expect that most of these teams will be pretty similar in terms of their skill and ability to our team's ability. We will be looking for some helpers to help run the concession for the tournament, please let Mr. Vriend if you would be able to help out in this manner!

We would also like to extend our thanks to the Joel Bydevaate Committee for their generous contributions allowing us to purchase both our volleyball and basketball jerseys for our teams to compete this season!
