“Following the Way” - Hebrews 6:19

“Some people think that putting yourself out there into the world is exalting yourself, but it’s not! In fact, it requires humility because we all know how painful it can actually be. It’s pride to not be vulnerable with your creativity. Because creativity is connected to the Divine nature, it is humble, and putting yourself out there is a step into humility. Releasing what’s inside you is not pride. It’s pride to hold onto it.”
-Dan McCollam
