It would involve reading with students and working with small groups. This can be used as Work Experience hours. If you are interested in this, please let Mr. Visser or the office know.

Grade 9 - Vaccination

Many grade 9 students received an envelope home yesterday from Alberta Health Services. This will include consent forms for routine immunizations for all grade 9s. Students will not be immunized if they do not return the form or if they select “refusal” on the returned form. *Please note that COVID-19 immunizations are not a part of routine school immunizations and will not be offered in school settings.
