The Grade 6 class at TCS is looking for a Grade 11 or 12 student to help out in the classroom every day from 1:15-2:30pm during their LA period. It would involve reading with students and working with small groups. This can be used as Work Experience hours. If you are interested in this, please let Mr. Visser or the office know.

Terry Fox Run!

TCHS students and staff participated in the annual Terry Fox Run on Wednesday, Oct 21. Many of our students ran the entire course and we saw some excellent effort! Students were presented with awards after the race. The office will continue to collect “Toonies for Terry” to support cancer research for one more week. Thanks to all who participated!

Grade 9 - Vaccination

Grade 9 students will be getting an envelope home next week from Alberta Health Services. This will include consent forms for routine immunizations for all grade 9s. Students will not be immunized if they do not return the form or if they select “refusal” on the returned form. *Please note that COVID-19 immunizations are not a part of routine school immunizations and will not be offered in school setting.

Athletics:

Our volleyball season is well underway and our teams are representing our school well. Our SV teams both placed third in the tournament at Senator Gershaw School Last Weekend. Our Tier 1 Boys currently remain undefeated in the Horizon School Division. Well done teams! Starting October 3rd, practices will take place in the new high school gym. Teams will be made aware of their updated practice schedule by their coaches, and it will go home with students on October 3rd.
