EPIC - Exploring Possible Industries and Careers!

Once again, our Grade 10 students will be going to EPIC Day (Exploring Possible Industries and Careers) next week Wednesday at Lethbridge Exhibition Park. Parents should have received an email from Career Transitions that includes the following information: "We at Career Transitions are looking forward to hosting your child at EPIC DAY (Exploring Possible Industries and Careers) next week. The goal of EPIC DAY is to introduce students to a diverse group of occupations representing various sectors including trades, healthcare, agriculture & environment, STEM and others. The idea is not for students to choose a career pathway at this point. Rather it is all about awareness and information that they can use as they get closer to taking those next steps following high school graduation. Please reinforce the idea that investing 20 minutes to learn that an occupation is not of interest to them is still valuable information for them to have. The range of exhibitors at the event reflects the desire of employers in our community to connect with youth. Please encourage your child to engage, listen and learn what they can from the professionals they will meet next week. If your child is interested in learning more about occupations, please encourage them to check out our list of Virtual Career Exploration Sessions. You'll find links to both upcoming sessions and recordings at www.careersteps.ca/exploration-sessions/". Grade 10 students from TCHS will be visiting Adora Kitchens and ITB in the morning for a tour and then heading to Lethbridge Exhibition Park for the remainder of the day. They will be back in time for buses. We look forward to a great day!

Above All Else - Youth Conference!

Taber Christian School and Taber Christian High School are excited to host the 2023 Above All Youth Conference on April 20th and 21st! This year the focus is on 'Jesus the Way' & 'Jesus the Truth'. This year, the Keynote Speaker of the event is Noah Herrin, who is a pastor out of Nashville, who will be traveling up to Canada to share a message with our junior high and high school students, the Taber community, and other Southern Alberta Christian Schools. Jesus is the Way, the Truth, and the Life. We are excited for how God is working to make this event happen! See the following page for the poster!

The poster features a young man, Noah Herrin, smiling and holding a microphone. He is wearing a beige t-shirt with 'T O A Y' printed on it and a black baseball cap worn backwards. The background is a gradient of blue and purple. The text is arranged as follows:
