The link for the Parent Login Site is:

A **Parent Account** is required to use the Conference Manager. However, you only need to go through the registration process the first time you use the system. **To register** in the Conference Manager use the link above and click the "Register Now" button and complete the registration form. Your login credentials (email and password) will remain in the system to make it easy to access the Conference Manager in the future. Please ensure you input all of your children currently attending Taber Christian High School. Choose the appropriate school from the drop down menu for each child. Note you can update your Parent Account at any time by logging in and updating your profile.

Can't remember your password?

If you already have a Parent Account, click on the link above, select "Forgot your password" and enter the email address you used to register in the system. You will then receive an email containing instructions for resetting your password. If you do not receive an email, you might have entered an email address the system does not recognize. Be sure to add appointments@schoolsoft.com to your Address Book. This will override any spam filters that might be blocking the email. If the problem persists, please contact the office and ask them to access your Parent Account, confirm your email address and reset your password.

Step 1 - Conference Manager Opens to Parents – Friday, April 21 @ 8am

If you used the Conference Manager in the past, your email and password are still in the system. You can simply access the Conference Manager using the link above.
