## **Did you know...Horizon School Division offers Career Services to all students?**

We would like to encourage Grade 10-12 students to utilize this support by scheduling a 1-on-1 meeting with Sharla Kane, CCDP, Career Practitioner. Sharla comes to Taber Christian High School regularly to meet with students who would like to talk about their career pathways.

Sharla has worked in career development and support at the post-secondary level for 15 years, and is excited to meet with and work with any students who would like to discuss their credits, post-secondary education options such as university, college, & trades and technology and the many career possibilities available; employment opportunities, resumes and interview preparation, gap years and study abroad, and any other career-related topics or questions students may have.

To schedule an appointment, please see Mrs. Hoekstra, or drop by to see Sharla in the common area when she is at the school.

# ***Enchanted Forest Formal***

### **Lion's Athletics Update:**

The Lions have officially wrapped up their volleyball season, having just competed in the 1A South Zone Championships. Our SV Girls volleyball team played their last game against Senator Gershaw losing a close match that went to three sets. Our SV Boys team had a strong tournament, finishing in fourth place in the Zone, and it was great to have so many fans out to support both of our teams! Congratulations to the Lions on the most successful season our school has had.

Basketball season is now upon us! Tryouts have started, and practices start next week. Our JV and SV Boys have their first game at TCHS against Immanuel Christian on Wednesday, Nov. 29 at 6:00 and 7:30. The SV Boys also have their first tournament in Stirling next Friday. We are looking forward to another strong season. Go Lions Go!

For any practice and game times, please check the athletics page on our website:
