TCHS Academic Celebration of Learning / Parent Teacher Interviews!

TCHS will be having an Academic Celebration of Learning on Wednesday, April 17. Doors will open at 6:15.

- TCHS students will give presentations of meaningful student learning (6:30 - 7)
- Afterwards parents will be invited to look at student work displayed in the gym.
- Starting at 7, we also be holding semester 2 parent teacher conferences.

Conferences will also be held in the gym (we can work out private meeting spaces for parents that request this).

myPass Education Account! The Grade 10 class has had some presentations in CALM class regarding credits and course selection for high school. They all received a print out of the Detailed Academic Report and Credential Requirements Checklist. They also were told how to set up their myPass Account. MyPass is an educational account that

students can access to retrieve important information on their highschool courses, marks and much more. In the future, students will use their myPass account to check diploma marks and order transcripts to apply to colleges and universities.

If students are having a hard time creating this account, they should stop by the office to receive some assistance. Grade 11 & 12 students should also stop by the office if they are still unsure how to set-up or sign-in to their account! We are here to help!
