myPass Education Account! The Grade 10 class has had some presentations in CALM class regarding credits and course selection for high school. They all received a print out of the Detailed Academic Report and Credential Requirements Checklist. They also were told how to set up their myPass Account. MyPass is an educational account that

students can access to retrieve important information on their highschool courses, marks and much more. In the future, students will use their myPass account to check diploma marks and order transcripts to apply to colleges and universities.

If students are having a hard time creating this account, they should stop by the office to receive some assistance. Grade 11 & 12 students should also stop by the office if they are still unsure how to set-up or sign-in to their account! We are here to help!

Florida Mission Trip!

On March 30, six students embarked on a mission trip to Port Charlotte, Florida to support the local community in rebuilding from Hurricane Ian. Over the week, students worked on finishing a home for a single father of 5 who had been living in a trailer beside their home for nearly a year and a half. The trip was incredibly successful as students ministered through their work, dedicating themselves to helping those in need of shelter, while providing a boost in morale to locals. Along with some time spent at the beach, the trip was a life-changing opportunity to be the hands and feet of Christ.
