If there is no exam scheduled for a grade 10 - 12 student, then they do NOT have to be at school on this day.
- Grade 9s have PATS in English, Math, Science and Social. You will notice that the Math and English PATS are in two parts. Their PATS are earlier than the rest of the high school exams. After they write their PAT, they are expected to stay at school as they will be in review classes in the afternoon to prepare for their next PAT. We will be planning an activity for the grade 9s on Friday, June 14/24 so they are expected to come to school as this is their last day.
- Regular bussing will continue throughout exams. Students are able to stay come to school when they do not have a scheduled exam if they wish to study. Students are also able to stay at TCHS after their exam is finished if they need to take the bus home at the end of the day.
