A Note about PowerSchool

We encourage students and parents/guardians to regularly check PowerSchool to see how students are doing in their classes! Recently, students have had their sign-in information changed by Horizon School Division. If students have not already done so, they need to sign out of the APP and re-sign in. They will need to put in the jurisdiction code of **NHSW** and proceed to login using their **school email and password**. This will be what they use from now on to sign into PowerSchool. This will also be used if they are signing into PowerSchool on a computer or chromebook. Sign-in information for parents/guardians will remain the same! If you have questions or need assistance, please contact the school office or email tanya.hoekstra@horizon.ab.ca
