Lion's Athletics!

This is an exciting week for our senior varsity basketball teams! Both the boys and girls teams placed 2nd at the 1A/2A zones tournament last weekend. The girls took a loss to Immanuel Christian in the final game and the boys took a loss to Coaldale Christian in the following game. Fortunately, the top two teams in the south zone still get to go to Provincials. Our girls are playing in 2A Provincials at Rundle College this weekend while the boys are playing in 1A Provincials here in Taber (St. Mary's is the host school). Stay tuned for their game times and scores on Facebook and Instagram or check out the following website for the girls:

Good luck to both of these teams!

Badminton is starting up! Please note that all badminton practices will be on Mondays and Wednesdays after school until 4:30pm. There is a badminton tournament on Saturday, March 29 at WR Myers for grades 10-12 players. They will have to let Mr. Fuller/Ms Gilbert know on Monday if they are able to play in this tournament!

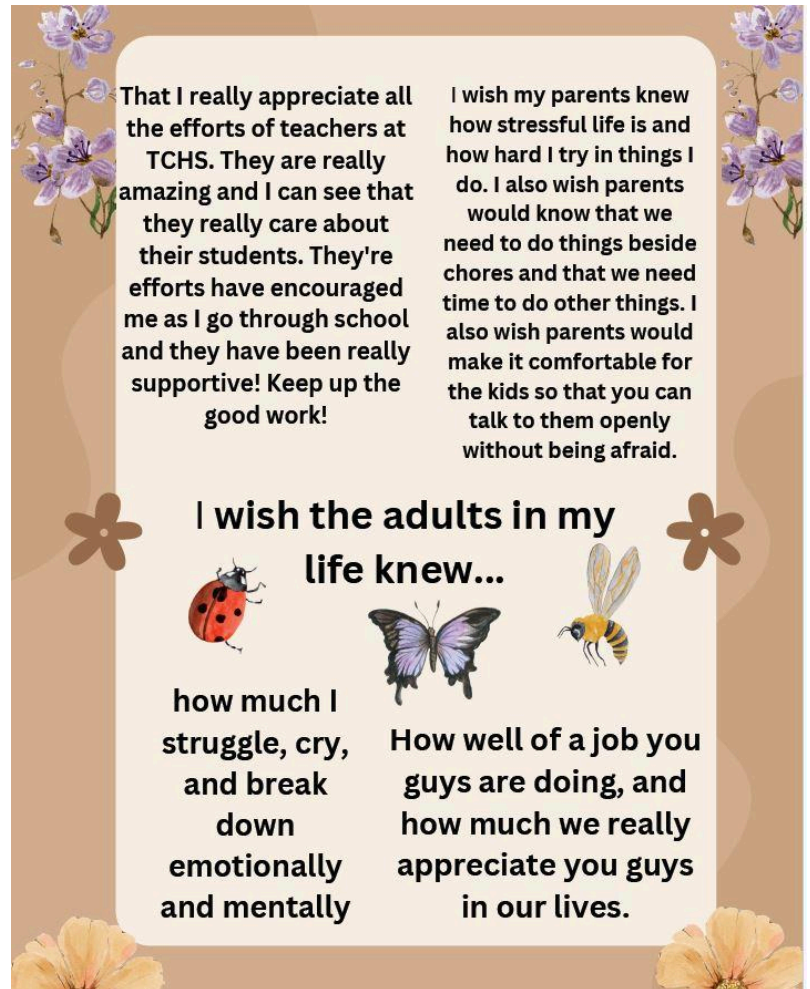

For more information, please follow us on Facebook and Instagram. Our Athletic schedule is posted on <http://tchs.horizon.ab.ca/athletics>

“I Wish The Youth in my Life Knew Survey”

The Family School Liaison Program is working on a project to gather insight into current student needs and mental health wellness. To do this, the Wellness Coach, Hailey Astalos, created a Google form for students to submit feedback on what they wish adults knew about their lives. Students responded to the prompts and Hailey gathered the information and posted it on a bulletin board across from the office. This survey for parents/adults has been created by your school's mental health and wellness team (Rylee Beland and Hailey Astalos). Adults are asked to view the Bulletin Board before responding to this survey or check out the picture beside this post. After doing so, take time to reflect on what you may say to one of those students (a response that resonated with you), your own child when they are struggling, or to your younger self. For example, "I wish they knew how much we love them", or "I wish they knew that even adults have anxiety sometimes". You may choose to provide advice, words of encouragement, or simply tell them you love them. Our students were open, brave, and vulnerable, and this is your opportunity to respond to them with love and support and help us continue to foster a caring and supportive school environment. Some of your responses are going to be shared with the students in our school on a bulletin board. Your name and email WILL NOT be included. Your email will be linked to your response so the counselor can view it.

If you have questions or concerns about the survey or its purpose please contact Hailey Astalos or Jason Visser. Survey Link: <https://bit.ly/4ijqvfi>

We are looking for more responses on their survey!!

Please consider filling this out! Thank you!
