TCHS Celebration of Learning

This past week, we were able to have our annual Celebration of Learning event featuring our art, drama and music students! We were able to listen to our TCHS band, choir, hear about passion projects from Grade 12 students and view student artwork and projects. Mrs. Bekkering was also able to share about her Deep Hope and Storyline for the school year! We want to thank all our staff and students for all the time and hard work they put into this special event! We are excited to see the art program flourishing at TCHS!!

Grade 10 Credit Check Presentations

Over the past two weeks, Mrs. Sharla Kane has joined our Grade 10 CALM class to make a presentation on high school credits. During this time, the grade 10s take a look at their Detailed Academic Report (DAR) and Credential Requirements Checklist to better understand what is needed to help them graduate. They also talked about the importance of specific classes for post-secondary education. A copy of their DARS and Checklists were also sent home in their re-registration packages last week to help with course selection for the upcoming school year. All students in Grades 10-12 have access to their DAR and checklist through Alberta myPass! The link for this can be found through our school website or by going to:
