## Parent/Student Information Night!

We had our parent/student information night this past Tuesday night. We'd like to thank all those who came out! The purpose of the information night is to give students and parents important information about the upcoming school year. We spend a fair bit of time going over the Alberta Education diploma requirements, including talking about course credits and pathways.

If students need assistance filling out their course selection for the upcoming school year, please have them stop by the office for assistance. We also had a presentation by Bryan Pritchard, our off-campus teacher, regarding Dual-credit, RAP, Work Experience and Green Certificate. If you are wanting any information on these programs, please ask!
