Taber Christian High School News and Notes:

August 13, 2025

Welcome Back to School!

As we begin a new school year, our theme, “Finding Our Place in God’s Story,” reminds us that we are not here by accident. Scripture tells us in Ephesians 2:10 that *“we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.”* Every student, staff member, and family in our school community is part of God’s intentional design. This year, we will encourage one another to discover the unique ways God has gifted and placed us to serve Him—both in our classrooms and in the world beyond. Whether you are new to our school or have been here for years, you have a role in the unfolding story God is writing.

Jeremiah 29:11 reminds us of God’s promise: *“For I know the plans I have for you... plans to give you hope and a future.”* As we learn, grow, and walk through this year together, we can be confident that God is at work, guiding our steps and weaving our stories into His greater plan. My prayer is that this year, we will not only gain knowledge but also grow in faith, joy, and a deeper sense of calling. Together, let’s lean into the truth that our lives are part of God’s grand narrative, and that every day is an opportunity to live out the purpose He has prepared for us.

This year will be an adventure for all of us. For myself, I look forward to leading both TCS and TCHS. For those of you who know me from TCS, I always appreciate conversations with parents and ask that if you have thoughts or ideas that you stop by or contact me to chat!

Join us for our back to school assembly on Aug 27th at 2pm!

Fall Athletics Update!

Welcome back to another amazing year of TCHS Athletics! We are so excited to welcome our student-athletes back into the gym, kicking off another season of growth, teamwork, and competition. Whether you're returning to your sport or trying something new, we're excited to see the energy, commitment, and heart you bring to our teams. This fall, we're looking forward to an awesome lineup of sports: golf, cross country, and volleyball! Go Lions!

Note: We Need Coaches!

We are currently looking for coaches for our Tier 1 and JV volleyball teams. *This is a great opportunity for alumni or other community members to get involved and make a meaningful impact.* Please keep in mind—without coaches, we can't run teams. If you or someone you know is interested in joining our fantastic coaching staff, please reach out to the TCHS Athletic Director, Kelsi Gilbert (kelsi.gilbert@horizon.ab.ca).

Volleyball Open Gyms and Tryouts!!!

TCHS will be having volleyball open gym nights on **Tuesday, August 19th from 6:30-8pm** and **Thursday, August 21st from 5:30-7pm**. We encourage all students interested in volleyball to come out to these open gym nights!

Tryouts for volleyball teams will be on **Thursday, August 28th and Friday, August 29th - exact times will be posted next week**. Look for specific practice schedules and team details in the coming weeks!

Dear Parent/Guardian:

Horizon School Division is committed to providing safe learning environments for all students, staff, school visitors and community members. To enhance safety and security, division protocol requires Violence Threat Risk Assessment (VTRA) training of School Administrators, Family School Liaison Counsellors and district staff in order to ensure a multi-disciplinary approach.

When students' behaviours pose a potential threat to safety or serious harm, the Southwest Alberta Regional Violence Risk Threat Assessment (VTRA) Protocol helps Administrators take steps to protect students' well-being. The protocol helps schools respond quickly to worrisome behaviours and/or threatening incidents such as: possession of a weapon or a replica weapon, bomb threats or plans, verbal, written or electronic (internet, text) threats to kill or injure oneself or others or other threats of violence, fire setting.

The protocol requires trained school staff, division staff and community partners, as a team to complete an Assessment of Risk to Others (ARTO) in all cases where students makes threats to harm others. The purpose of the ARTO process is to use the knowledge, skill and experience available to assess level of concern so that appropriate interventions can be identified to protect individuals from harm and to ensure a climate of safety in schools and the community. As noted above, a multi-disciplinary approach is used. Please be assured that the school team will be taking measures to deal with all known threats/high risk behaviors in a positive and proactive manner. If the school team invites you to a meeting to discuss safety concerns about your child, please be assured that our protocol is being followed and that the goal is safety.

The Southwest Alberta Regional VTRA Protocol outlines how a school responds immediately to threatening behaviour. The purpose of the VTRA protocol is to support students and their families in addressing these worrisome behaviours. We believe that students demonstrating such behaviours require a team to support them. Administrators may first bring together a School Threat Assessment Team, which ideally includes the Principal/Vice-Principal, a school-based clinician/jurisdictional lead, and police. If the situation is serious, the Principal may also consult with the Superintendent of Schools, and call in members of the Community Threat Assessment Team. This community team may include representatives of community agencies who work with us to keep our schools safe such as local police, children's mental health organizations or Human Services. Parents and guardians will be notified as soon as possible in the Stage I-VTRA process. If parents/guardians cannot be reached, or if they choose not to provide consent, but a concern for safety still exists due to threatening behaviour, the threat assessment may still proceed. Personal information shared throughout this process will respect and balance each individual's right to privacy with the need to ensure the safety of all.

As always, student safety is our first priority. If you have any questions regarding Horizon School Division, Southwest Alberta Regional VTRA Protocol, please contact Angela Miller at 403-634-9767 or angela.miller@horizon.ab.ca

Sincerely,

Klaas Hoekstra
