A Note about PowerSchool!

The office has been working on setting up all our Grade 9 and other new students on PowerSchool. This process will be finished by next week. Next week, Grade 9s will have a presentation on how to log into PowerSchool and how to use PowerSchool to check marks and keep up to date on assignments. At this time, students will receive a letter home with information on how parents can also log into PowerSchool. All returning students and parents should be able to log into PowerSchool like usual. If the courses or marks are not current, please try logging out of PowerSchool and sign back in. A reminder that our district code is **NHSW!** Please contact the office if you are having difficulty logging in: **403-359-3835.**

TCHS Chapel

We were thankful to hear from Marja Kostamo at Wednesday's chapel! She shared with us personal encounters with God through the power of prayer, especially in seasons of struggle. Marja also challenged us to pray boldly and pray continually, because God our King cares deeply and is always listening! For those students interested in her book, "Treasures of Darkness" it will soon be available in our school library!
